Dear Sri Shetty,

I am sending enclosed a representation received from the public of Shirva and neighbouring villages requesting that a post-mortem shed for Shirva L.F. Dispensary should be sanctioned. Their difficulties are genuine. I request you to see that the facilities desired are provided as early as possible.

With regards,

Yours sincerely,

Respected Sir,

Sub: Post-mortem Shed for Shirva L. F. Dispensary - Prayed for.

----- :o: -----

We beg to bring to your kind notice that the Local L. F. Dispensary is not provided with post-mortem facilities. The whole of Kaup Police Station (Firka under Kaup) is being served by this Dispensary and as such the lack of post-mortum facilities as also a shed therefor is being ~~actually~~ acutely felt by the public as also the department concerned in the matter of emergencies and accidents.

We, therefore pray that you may be pleased to sanction the building and equipments of a post mortum shed at the premises of the Local L. F. Dispensary.

We remain, Sir,
Yours faithfully,

Ref:-~~Xxxxxxxxxxxx~~ Your Memo.Ref.No.32951-M-55., dated 27-4-55.

In reply to your Memo.cited, I am of opinion that the number of post-mortems conducted at the neighbouring Government and Local Fund Medical Institutions of Shirva for the last 3 years being too low there is no necessity to construct a post-mortem shed at Shirwa. I have also consulted the District Superintendent of Police, South Kanara, Mangalore in the matter and he has agreed with me. A copy of his letter Rc.No.C1.7569-55, dated 30-5-55 is appended for information.

---

Ref:-Your letter C.No.5995-C2-55, dated 3-5-55.

There were 6 cases of accidental deaths in 1953 and 8 such cases in 1954 that occurred at Shirwa and other surrounding villages, There was no occasion to send the dead bodies for Post-mortem examination except in one case of accidental death that occurred in 1953. It is thus seen that most of the deaths that occurred during past years in this locality are due to accident or other such allied causes which do not call for post mortem examination.

2.Under the circumstances, I do not see any real necessity at present for a post mortem shed at Shirwa.
